

Predicting your GPA

In order to understand how to improve your GPA, you must first understand how it is calculated! GPA is a result of the total GPA credits you have taken and the total credits that you have earned here at Ithaca.

- **Grades from other institutions do not count toward your GPA here**
- **S/D/F and P/F courses do not count toward your GPA**
- **If you take an incomplete and you do not make the work up by the end of the following semester, it becomes an F.**
