Announcements

DIPLOMA DISTRIBUTION

An official diploma will be mailed to the address each student provided on their application for degree and will arrive approximately four weeks after graduation.

EVENT PHOTOGRAPHY

There will be professional photographers working to capture images of students individually just after they cross the stage. These photos will be available for sale to families within two to three days after the event. Your student will receive an email at that time with details. Photo proofs and additional information will also be mailed to each student's permanent address. Families may purchase photos but are not obligated to do so. A limited number of candid photos of the ceremony will be available at no cost to families via the Commencement website (ithaca.edu/commencement/december) within two weeks after the event.

SOCIAL MEDIA

Use the hashtag #ICGrads on social media to share your favorite photos from Commencement and congratulate our graduates.

FLAGS

The flags of various countries displayed in the Athletics and Events Center honor the international students who are today receiving degrees. Ithaca College is fortunate in the diversity of its community as it prepares students to become worldly citizens.

MEDALLION

Following a tradition begun in 1992, the college's centennial year, each graduate has received a medallion inscribed with a quotation chosen by the college's president. This year the quotation comes from Coretta Scott King: "The greatness of a community is most accurately measured by the compassionate actions of its members."

ANNOUNCER

Jeremy Menard, television and radio operations manager, is the announcer.

Academic Regalia

The gowns and hoods worn on solemn academic occasions perpetuate traditions as old as the world's oldest universities. While European institutions display great diversity in the design and color of academic regalia, their American counterparts adopted a code of regulations that makes it possible for the academic community to identify from the cut of the gown and the color of the hood the wearer's degree, the subject in which it was conferred, and the institution that granted it. In recent years many colleges and universities have departed from the traditional black and adopted official colors for their academic gowns. Thus, the blue gowns with gold chevrons worn by the president and trustees of Ithaca College display the official colors of this institution.

The cut of the gown identifies the degree. The bachelor's gown has pointed sleeves and is worn closed. The master's

gown has oblong-cut sleeves slit at the elbow and is worn open or closed. The length of the hood also identifies the degree: 36 inches for a bachelor's degree and 42 inches for a master's degree. The color of the hood's velvet binding identifies the wearer's specialized field of study. These colors include white for arts and letters, light brown for business, light blue for education, purple for law, lemon for library science, pink for music, sage green for physical education, blue for philosophy, gold for science, and red for theology.

The silk lining of the hood displays the color or colors of the institution awarding the degree. Earned and honorary degrees awarded by Ithaca College are shown by hoods lined in royal blue and crossed with gold chevrons.

Honor Cords and Stoles

HONOR CORDS

Commencement includes many traditions that have been passed down through generations. Among these traditions is the honor cord. The colors of the cords signify graduation honors based on high academic achievement. These honors, listed below, are associated with Latin phrases that indicate the level of distinction with which an academic degree is earned. Ithaca College confers three levels of Latin honors to undergraduates earning a bachelor's degree. The cumulative grade point average ranges for these honors are listed below. A minimum of 60 credits of coursework must be completed at Ithaca College to qualify for this recognition. The honors listed for the students in this program are based on their cumulative grade point average as calculated at the beginning of the fall term. Honors that appear on students' actual diplomas will be based on their final cumulative grade point average.

Blue and Gold Cord

Summa cum Laude 3.900 and above
(with highest honors)

Gold Cord

Magna cum Laude 3.700–3.899
(with great honors)

Blue Cord

Cum Laude 3.500–3.699
(with honors)

RAINBOW HONOR CORDS

Multicolored rainbow honor cords are worn by some of the LGBTQ and allied graduates at today's ceremony and by LGBTQ and allied students at colleges and universities throughout the world at commencement. Since 2003, IC students have received their cords and been celebrated at the annual Rainbow Reception, which highlights their achievements. The history of LGBTQ inclusion at Ithaca College would be impossible without the fearless and tireless efforts of its allies and supporters. The use of rainbow colors as a sign of diversity and inclusiveness is a long-standing tradition. The rainbow or pride flag was created by San Francisco artist Gilbert Baker in 1978. The colors symbolize diversity throughout LGBTQ communities and have individual significance: life (red), healing (orange), sunlight (yellow), nature (green), art/harmony (blue), and spirit (purple).

KENTE STOLES

The Kente stole is a patterned, rich, and handwoven cloth that originates with Akan weavers in present-day Ghana. For royalty throughout West Africa, Kente is a sacred cloth worn only in times of extreme importance. Similarly, it has been an Ithaca College tradition to present Kente stoles in recognition of select students who exemplify leadership in programs with the BIPOC Unity Center or other campus programs. The symbol on the Kente stoles, *Nea Onnim No Sua A, Ohu*, is a West African Adinkra symbol for “knowledge” and “a lifelong quest for learning.”

VETERAN STOLES

Another Commencement tradition at Ithaca College is the presentation of stoles to graduating students who are veterans of the United States Armed Forces. The stoles, which display each student's branch of service, are offered to graduating veterans in recognition of and gratitude for their service in protecting our country and as a symbol of their self-sacrifice and service.

Commencement Speakers

STAFF COMMENCEMENT SPEAKER

Marsha Dawson

Dean of Students, Student Affairs and Campus Life

Originally from Jamaica and a first-generation college student, Marsha T.T. Dawson says she is grateful for the opportunity to provide leadership and

support at Ithaca College and in the surrounding community. She has two decades of experience in student affairs and joined Ithaca College in 2019, now serving as the dean of students for student affairs and campus life. Her recent

community activities include working as a board member for the Advocacy Center in Tompkins County, presenting on development and DEI initiatives for high school students, spending quality time with friends and family (including her seven godchildren), and taking the opportunities as they arise to learn from her mistakes and failures, always with a focus on the impact she leaves on others. Her favorite quote from Maya Angelou guides her personal and professional life: “People will forget what you said, people will forget what you did, but people will never forget how you made them feel.”

FACULTY COMMENCEMENT SPEAKER

Michael Costello

Associate Professor of Physical Therapy

Michael Costello teaches courses addressing the psychosocial aspects of patient care and the management of orthopedic conditions. He was the founding director of the Orthopedic

Physical Therapy Residency and Spine Rehabilitation Fellowship programs at Cayuga Medical Center in Ithaca,

New York, where he continues to serve as a mentor and teach courses related to the management of spinal conditions, clinical application of pain sciences, and manual therapy. His clinical practice now focuses on helping musicians, dancers, and actors avoid or recover from performance-related musculoskeletal disorders.

STUDENT SPEAKER

Molly Fitzsimons '24

Integrated Marketing Communications

In addition to her role as Ithaca College's senior class director of marketing, Molly Fitzsimons has also held many other leadership roles on campus. She is the talent coordinator for 92 WICB, co-life

and culture editor for *The Ithacan*, co-president of IC Public Relations Student Society of America, and layout editor for *Buzzsaw* magazine. She was also chair of the account for the 2023 Ithaca College the American Advertising Federation's National Student Advertising Competition team.

As a senior integrated marketing communications major, she is always looking for a puzzle or project to work on, creatively or strategically. Born in Virginia and raised in Georgia by two alumni of Ithaca College, she is always ready for the next adventure.

Welcome to the Alumni Association

The Ithaca College Alumni Association is proud to welcome the class of 2023 to its ranks. As alumni, you are now members of a dynamic network of Ithaca College graduates—numbering more than 70,000—who live across the country and around the world.

Ithaca Forever

Ithaca, forever shine your light on me.
In my heart together we shall always be.
And here's to Ithaca, my Ithaca, how beautiful you are.
Your towers high upon South Hill reach from stone to star.
Ithaca, forever I'll recall a smile,
Clasp a hand in friendship, walk a snowy mile.
And here's to Ithaca, my Ithaca—alma mater true.
Although I leave Cayuga's shore, I'll remember you.
Ithaca, forever guide us on our way.
Like a shining beacon light our night and day.
And here's to Ithaca, my Ithaca, how bright your vision seems.
May all your sons and daughters dare to live their dreams.
