

Vicki Cameron's

Farewell Reception
May 2008

Vicki is proud to announce that, after a distinguished career spanning 23 years in the Biology Department, Spring 2008 will be her last semester of teaching. Vicki has had an enormous and positive impact on the lives of many students and colleagues. The Department wishes her well, but we will truly miss her.

Thrilled to see alumni

Excited to see current students

Grateful for all other friends
