

# *Biology Department*

## *Seminar Series: Fall 2009*

- August 28**      **Introductory meeting for students taking Biology Seminar**  
**BIOL-41100/41200**
- September 3**      **Steven L. Youngentob, SUNY Upstate Medical University**  
([Jean Hardwick](#))      Fetal Ethanol Experience and Chemosensory Plasticity: Its Contribution to Adolescent Alcohol Abuse
- September 17**      **Jason Hamilton, Ithaca College**  
Sabbatical Report, "Sustain This! Total immersion in sustainability science and education"
- September 24**      **James Saunders, Operation Wallacea**  
([Bruce Smith](#))      Opportunities and Planning in Biology Careers
- Co-Sponsored with the **Environmental Studies Program**
- October 1**      **Ed Cluett, Ithaca College**  
Sabbatical Report
- October 8**      **Student Research Options for Spring 2010 (informal)**  
All students interested in enrolling in BIOL-302 must attend.
- October 29**      **Roland Kays, New York State Museum in Albany**  
([Leann Kanda](#))      New York's Coyote/Coydog/Coywolf - What Is It And How Did It Get Here?
- November 5**      **Kimberly Schulz, SUNY College of Environmental and Forest Biology**  
([Bruce Smith](#))      Tails of two invaders: A continuing quest to determine the roles of two spiny predatory invertebrates in aquatic food webs
- November 12**      **Frederick LaRiviere, Washington and Lee University**  
([Maki Inada](#))      Revenge of the NRD: quality control of *Eukaryotic ribosomes*
- November 19**      **Don Weller, Smithsonian Environmental Research Center**  
(Susan Swensen)      TBA
- December 3**      **Jaime Blair (Biology '99), Franklin & Marshall College**  
([Susan Swensen](#))      Genomics of the Plant Destroyer: Using Bioinformatic Approaches to Study *Phytophthora* Evolution and Pathogenicity
- December 9 & 10**      **Jr. Research & Honor Symposium**  
(**Wednesday & Thursday**)

---

All seminars are on  
**Thursdays in CNS 112, 4:00 PM unless noted otherwise.**  
Meet for coffee & goodies at 3:40pm,  
CNS 1st floor lobby.

Please bring your own reusable mug for beverages. Reuse, reduce, recycle!
