

Unilever/SCA National Park Congressional Internship Program

Job location: Multiple U.S. States & National Parks

Imagine yourself in a policy internship on Capitol Hill. Then, imagine you are placed at one of our national parks to experience the outcome of the public policy process you have witnessed in D.C. Sponsored by Unilever, a multinational foods and products corporation, and administered by the Student Conservation Association, these internships are a two-part experience. **The summer portion** of the internship will take place at a National Park to be determined (2005 sites were Yellowstone National Park, Marsh Billings Rockefeller National Park, Fort Sumter National Historical Site and Channel Islands National Seashore). You will participate in visitor education and other specialized duties depending on your major and prior work experience.

During the **winter semester** enjoy a paid internship on Capitol Hill in either a Republican or Democratic Congressional office where you will observe how legislation and policy impacts our National Parks.

Dates: now - August 2006

Number of positions available: 3

Require: Detailed resume

Directed writing sample and transcripts
Strong communication skills, verbal and written
Availability for all interviews, orientation and full internship program
Applicants considered eligible up to one year after receipt of BA or BS
Desire:

Current undergraduates with some professional experience, strong GPA, interest in policy and environmental issues, and a willingness to work with either a Republican or Democratic Congressional office.

Benefits: Stipend of \$400/week for the Capitol Hill portion of the internship (approx. 15 weeks). Living allowance for basic expenses while serving in the National Park (\$150/week for 12 weeks). Free housing during both parts of the position. You will live in the District of Columbia and later in a selected National Park. SCA's 24-hour accident and injury insurance. Access to low cost health insurance (less than \$30/month). Career & Alumni services during and after the internship. Send resume, writing sample, and transcripts to: <mailto:mjoinus@thesca.org>.
