

## Physics Seminar Series FALL 2011

**September 13**

### **Soft Matter**

Thomas Mason: UCLA

**September 27**

### **Natural Sciences Symposium**

Kelley Sullivan, David Gondek: Ithaca College, CNS 112

**October 11**

### **Astronomy, Astronomy, Materials Science**

Joyce Wu, Julia Russ & Martin Garay: SUNY Oswego/National Central University in Taiwan, Northwestern

**October 25**

### **Radio Astronomy, Sound Engineering, Condensed Matter**

Delani Cele, Andrew Hope, Heather Hill: MIT Haystack Observatory, University of Maryland, University of Illinois Urbana Champaign

**November 8**

### **THz Technology**

Lee Mosbacker: Traycer Diagnostic Systems, Columbus, Ohio

**November 29**

### **Fusion Energy**

Stewart Prager: Princeton Plasma Physics Laboratory

**December 13**

### **Astronomy**

Mallory Roberts: Cornell/Ithaca College

**All Seminars will be held  
TUESDAYS at 12:10 pm in CNS 204**  
(unless otherwise indicated).

Pizza and Refreshments will be available for \$1.  
Please bring your own cup.

Remember to Recycle, Reuse, Reduce.
