

---

## COURSE LISTINGS BY DISCIPLINARY BASED OPTIONS

---

You will submit, via the Course Selection Information Form, six (6) course options in preference order. You will be pre-registered for two (2) courses, in addition to your Ithaca Seminar, prior to your attendance at Summer Orientation. At Orientation, you will complete your schedule with a faculty academic adviser.

Course Selection Information Form located [online](#).

---

\*For students interested in lab sciences and/or premed.

\*\*All math courses have a math score prerequisite. Ensure that you take the math placement exam prior to selecting a math course option. You will find your math placement score on your [Homer Connect](#) account; select 'test scores'. Information related to accessing the math placement exam can be found [online](#).

---

### **NON-DISCIPLINARY OPTION**

---

Students will submit a total of six (6) course options selected from the other disciplinary options listed within this document.

---

### **PRE-PROFESSIONAL OPTION**

---

Students will be registered for an appropriate pre-professional course according to their stated interest in a particular school/major. When completing the "Who Enrolls in the Exploratory Program?" form, be very specific about what majors you are considering.
