

**2006
JUSTIN ALEXANDER
SCHOLARSHIP AWARD**

Candace L. Nomides

I'm from Doylestown, Pennsylvania. I first became interested in Physical Therapy when I volunteered at our local hospital in the PT/OT department while I was in high school. I found that I enjoyed working with patients, getting to know them, and being able to impact their lives in a positive way.

The Ithaca College PT program has allowed me to participate in clinical affiliations all over the country. I have gotten to work with patients in inner city Philadelphia and rural Spencer, West Virginia. These experiences have helped me to really focus on what I want to do with my career as a physical therapist.
