ESSAY QUESTIONS

Please respond to the following questions in essay form. Attach your responses to this cover sheet.

- 1.) In your opinion, how has the introduction of electrical technology into the music making process changed how our society experiences music?
- 2.) Why do you want to become a recording engineer?
- 3.) Describe the types of music recording experiences you have had in the past. Please note that we are less concerned with the number of your experiences as opposed to the depth and quality of those experiences (i.e., recording of concerts, bands; sound reinforcement for concerts, plays, other public events, etc.)

SUBMISSION

Please include this form and your responses with the School of Music Application and submit at least two weeks prior to your audition date.
