## **SCHOLARSHIP/PROFESSIONAL SERVICE**

**College Sport Research Institute (CSRI), University of North Carolina** – member of the Executive Board. In that role, I provide feedback regarding the institute's research agenda, outreach, and conference (2007 to present).

**2007 NCAA Women's Final Four Local Organizing Committee, Cleveland, OH** – during the twelve months prior to the 2007 NCAA Women's Final Four, the city of Cleveland sponsored programming focusing on girls and women's health, mentoring, leadership, and sport. I served on the Local Organizing Committee, providing guidance and direction relative to programming resources at a national level. I also co-chaired a Title IX Task Force which created a three and a half day symposium along with a celebration of Title IX in its 35<sup>th</sup> anniversary year.

**The Drake Group** - one of the founding members; have participated actively since October, 1999 in the formation of this group. Part of my involvement included attendance at the October, 1999 meeting in Des Moines, IA; follow up meeting in Des Moines in March, 2000; meeting in

November, 2000 in Colorado Springs, CO; and participation in a teach-in on intercollegiate athletic reform held at the University of Tennessee in February of 2001. In 2001-2002, I attended the annual meeting in Tulsa, OK in March. Since 2002, I have been a member of the Executive Board. In 2004-2005, I served as the conference program chair, coordinating efforts to host our first conference in St. Louis, MI. I served as program chair for 2005-2006 as well.

**Calvert Group** - assisted in development of their Indigenous Peoples Investment Policy (section pertaining to mascots and imagery).

**Interfaith Center for Corporate Responsibility** - I have served as a resource to Gary Brouse (Ponca), Director of Indigenous Peoples Programs, in the area of Native American mascots. This has involved participating in a number of meetings with corporate representatives from the Liz Claiborne Company, Major League Baseball, Time Warner, and the Coca-Cola Company. These meetings occurred during a span of time between July of 1999 and August of 2005.

**United States Commission on Civil Rights** - I served as a resource person for Patrick Duffy, assistant to Commissioner Elsie Meeks. Ms. Meeks (Lakota) proposed a resolution regarding Native American mascots which was passed in the spring of 2001.

**United States Department of Justice, Civil Rights Division (Educational Opportunities Section)** - following the Department of Justice's intervention on behalf of Native American children and their parents at Erwin High School in Buncombe County, South Carolina, I have been serving as a resource person for Lawrence R. Baca (senior trial attorney) (Pawnee), one of the DOJ lawyers assigned to that case. Since the spring of 1998, Mr. Baca and I have collaborated on a number of projects involving the mascot issue. (Note: I have also provided informational materials on the Native American mascot issue to the Ohio State Commission on Civil Rights and the New York State Attorney General's Office.)
