

Integrative Learning readings and resources:

This web site is titled “Integrative Learning: Opportunities to Connect Overview” and you’ll find a lot of information, including models of integrative learning projects, here. The summary statement is as follows: “Integrative Learning: Opportunities to Connect was a collaborative project of the Association of American Colleges and Universities and The Carnegie Foundation for the Advancement of Teaching

<http://www.carnegiefoundation.org>. Beginning in January 2004, AAC&U and The Carnegie Foundation for the Advancement of Teaching worked with campuses to create programs for integrative learning that were purposeful and progressively more challenging across the years of a degree program.”
