

Checking CAPP for Degree Audits for Faculty Advisors

1. Go to Homer Connect, and log in with your Ithaca College ID number and Pin.
2. Click on **Faculty and Advisors**. The following screen will appear.

3. Click on **Student Information Menu**. The following screen will appear.

4. From here, there are two ways to get a student's degree audit.
 - a. If the student is your advisee, you can click on **Advisee Listing**, scroll to the advisee's name and click on the View link under the Degree Evaluation Column (furthest column to the right).

- b. Or, you can click on the link for **Degree Evaluation**, select the current term from the drop-down box and click Submit. Then you can search for the student by ID or Name and click Submit, verify the name of the student you are working with.
5. The screen for degree evaluation should appear. If a student is registered for more than one program, all programs will appear.

Degree Evaluation 900012632 Lorie J. Holmes-VanDusen

[[Previous Evaluations](#) | [Generate New Evaluation](#) | [What-if Analysis](#)]

6. To produce a degree audit for this student, click on **Generate New Evaluation** at the bottom center of the page. A screen similar to the one below will appear.

Information for [Vincent H. VanDusen](#)

 To generate a new evaluation, select a program, degree, major and anticipated graduation term and then select Generate Request.

Program: English
Degree: Bachelor of Arts
Major: English

Program: Integrated Marketing Commn
Degree: Bachelor of Science
Major: Integrated Marketing Comm

Term:

7. If a student is registered in more than one program, click in the radio button next to the program you wish to generate a degree audit for, then click the **Generate Request** button.
8. Different display options are available

Information for [Vincent H. VanDusen](#)

 Please select the desired display.

General Requirements

Detail Requirements

Additional Information

- a. **General Requirements** produces a summary Program Evaluation listing the courses that have been completed along with grade for each course. If the student is currently enrolled in the course, a '*' is displayed. Courses are divided into sections and at the top is an indication if the requirements for this section are complete or not (it either says 'Met' or 'Not Met'). Those areas that are not met have **red** print. There is no indication on this report as to what is missing. Below is a sample of what this report generates.

 3.000 * 200720 - MGMT 26000 Business Syst &
 Technology

60.000 Credits 3.056 GPA

- b. **Detail Requirements** provides a listing of the specific requirements for each area and for each requirement, indicates whether it has been met or not met. It is important on this output to notice what it says in the column labeled 'Condition'. The 'And' and 'Or' are very important to understanding whether or

not a requirement has been met. When there is an 'Or' situation, and the requirement is met, it still shows the second option for the condition as if it were not met. When all conditions for an area are met, the options will be 'grayed out'. The Registrar's Office is working on making this more readable, but for now, please pay close attention as to whether a piece of a requirement area is met or not.

Area : Focused Curricular Choice (33,000 credits) - Not Met														
Met	Condition	Rule	Subject	Attribute	Low	High	Required Credits	Required Courses	Term	Subject	Course	Title	Att
