

Registration Access Dates for Spring 2010 Classes

ACCESS BEGINS AT 7:00 a.m. ON:	CRITERIA FOR ACCESS DATE:
Monday, November 9	Exploratory Students, H&S Honors Students, HS&HP Pre-Professional Students, Graduate Students
Tuesday, November 10	Students with 90 or more EARNED credit hours
Wednesday, November 11	Students with 60-89.9 EARNED credit hours
Thursday, November 12	Students with 30-59.9 EARNED credit hours
Friday, November 13	Students with 0- 29.9 EARNED credit hours

Here are some **important reminders BEFORE** you are scheduled to register:

1. Login to HomerConnect and check your Registration Status under the Registration Menu.
2. Keep in mind that if you have any holds which prevent registration, you will not be able to register until they are resolved with the office that placed the hold on your record.
3. Many Ithaca College offices are open Monday through Friday from 8:00 a.m. to 5:00 p.m. while others do not open until 8:30 or 9:00 a.m. College offices will not be open when registration access begins at 7:00 a.m. You may e-mail HOMER@ITHACA.EDU for assistance if you experience any difficulties, but they likely cannot be resolved until the appropriate office is open.
4. You will need a **Registration Access Code (RAC)** to register for classes if you have a major in the School of Humanities & Sciences or the Division of Interdisciplinary & International Studies, or if you have been contacted by your dean's office or department.
5. Your adviser can supply the RAC to you. A Registration Access Code is NOT the same as the Personal Identification Number (PIN) you use to login to HomerConnect and cannot be reset or disclosed by a member of the Office of the Registrar staff. Be sure you know which day your registration access begins (see the table at the top of this page), which is determined by your earned credits.
