Notes:

- Withdrawn credits still count toward attempted credits. Withdrawal from a course can have academic, financial, and housing implications. Please be aware of the impact before submitting this form.
- When a completed withdrawal form has been submitted to the Office of the Registrar, a grade of “W” is entered on the student’s transcript.
- Withdrawal from a course does not result in a waiver of the tuition due for that course. Students who cease attending a course without having *officially* dropped or withdrawn from it are required to pay the course tuition.
