

Minor Application Form
Television-Radio Department
Roy H. Park School of Communications

Please check which Minor you are applying for:

- Audio Production
- International Communications
- Scriptwriting

Admission to the minors in the Television-Radio Department is competitive and limited by space. Minor applications are reviewed twice a year. The deadlines are:

Fall: October 1, 2009

Spring: March 1, 2010

Students must have at least one semester of Ithaca College grades to apply, and must have at least a 2.75 overall grade point average to be considered. That GPA, however, is not a guarantee of acceptance.

To apply, fill in the items and **attach an unofficial transcript**. You must also fill out the College Minor form. Return this form, the College form, and your transcript to Karen Armstrong in Park 356. You will be notified of your status in advance of online registration for the following semester.
