

ITHACA COLLEGE CAREER SERVICES RECRUITING AND EMPLOYER OUTREACH SUMMARY 2010-11

Career Services has continued to increase its outreach efforts to employers through tailored marketing and involvement in several professional associations. To support internship and job opportunities, as well as special events, we build relationships with local professionals. Involvement by Kristin LiBritz in the Tompkins County Chamber of Commerce via both monthly advertisements in the electronic newsletter and attendance at numerous networking events has been beneficial for the office. To build relationships with professionals in the Northeast, involvement in the Eastern Association of Colleges and Employers (EACE) has also been beneficial. John Fracchia's role as President-Elect and Kristin LiBritz's role on the Professional Exchange committee has allowed for strategic and meaningful contact with employers.
