

## 2006: All of Us get in a Car!

2006 had a new spin on it. Cliff traded his sportsman for two slingshots so we could both race. It was a lot of fun to race against each other. The season was filled with a lot of excitement, but Cliff came away the points champion.

Kyle had another successful season in the open wheel at the Southern Tier Microd Club. He was 1 point away from the points champion for the 2<sup>nd</sup> year in a row. The championship came down to the last race to determine who would be the champion. He led the entire race all the way until the VERY LAST CORNER. Unfortunately, a competitor got up into him and took the lead. Very exciting racing all season long!

Kelsey got buckled in the track's car to see if she wants to start racing next year. As she said, "This is soooo much fun. No wonder Daddy gets so mad when the race gets rained out!" So, next year she'll take Kyle's car while he joins in the slingshot class.
