Large blocks: 4" x 4" x 1-1/2" * thick

Small blocks: 2" x 2" x 1-1/2" * thick

Our tray covers are sized to accommodate this finished block size.

* depth based upon wood stock used for construction; typical 2x6 or larger stock has a finished depth of about 1-3/4", not 2", and once sanded to a smooth finish, reduces to about 1-1/2".
