Art history electives

Students are required to complete an additional 24 credits of electives in the Department of Art History.

These 24 art history elective credits must include the following:

- Minimum of one course focusing on art, visual culture, or architecture before 1400,
- Minimum of one course focusing on art, visual culture, or architecture from 1400 to 1750, and
- Minimum of one course focusing on art, visual culture, or architecture after 1750

If a course satisfies one of these chronological requirements, it will be indicated in the course description. CNPH 24000 History of Photography may be substituted for one of the art history electives.

Total, art history electives	24
------------------------------	----

Senior Experience

Select one of the following, to be completed in the senior year or during the summer preceding the senior year (or as approved by the department chair):

ARTH 49000	Seminar (3)
