# **To obtain an individual Keyboard Tutoring Session:**

- 1) Contact the tutor *no later than 9 PM the day BEFORE you wish a tutoring time.*  
*(Be aware that the tutors have busy schedules and may not be able to accommodate your request, so contacting them sooner rather than later is a good thing!)*
- 2) Meet the tutor at the scheduled time in Piano Lab #1102, or in location indicated by tutor.
- 3) If you have to unexpectedly cancel, contact the tutor ASAP.
- 4) Come prepared! The more specific you are about what you need, the more the tutors can help. If your instructor has required tutoring, be sure to provide the tutor with the form indicating the items needing to be addressed.
- 5) Bring your textbook and assignment sheets!
