

TRANSFER RELEASE FORM

Please read and complete this form if you wish to transfer to Ithaca College from another school. Without this signed document, Ithaca College cannot offer financial aid.

The National Association of Schools of Music Code of Ethics states:

"A transferring student who has not completed a degree program can be considered eligible for financial aid during the first term of enrollment in the new institution only if the music executive of the school from which the student is transferring specifically approves. . . . Approval is to be sought prior to the offering of the financial award by the institution to which the student may transfer."

This guideline was written to avoid the possibility of one school "recruiting" students from another with offers of financial assistance. This document will not change your status at your current school and does not necessarily indicate that you will be withdrawing. It merely authorizes Ithaca College to consider you for scholarships and financial aid.

In order to comply with this practice, please fill out the top part of the form below, bring it to the office of your current school and ask a representative to complete the bottom for you.

Submit the form via email to music@ithaca.edu, via fax to (607) 274-3068, or via mail to Director of Music Admission, Ithaca College School of Music, Ithaca, New York, 14850-7240. **If you are not requesting financial assistance, it will not be necessary to complete this form.**
