Program Development

Fall 2018- Present **Women's Mentoring Network at Ithaca College.** Developing and sustaining an active network of over 200 faculty and staff at IC who identify as women using a 3-prong framework to support the purpose of "enabling women to connect in meaningful ways to support their goals". Three prong structure: group events, individual mentoring, and peer mentoring circles. Currently serve as the Executive Director and oversee the Executive Board and Advisory Board.

Fall 2017- Present **Development of Doctorate in Occupational Therapy (OTD) program at Ithaca College.** Facilitating development of the new program with targeted admission Fall 2022. Served as Chair of the Curriculum Committee, Assessment Committee, and Curriculum Director for the Department of Occupational Therapy, then as chair of the department, and working on OTD program development in these roles.

Fall 2009- Spring 2010 **Ithaca College Integrated Curriculum (IC2) Initiative- Short-term Study Abroad Course Development**
Worked in collaboration with faculty from three other majors and Dean of HSHP to develop an alternative spring break opportunity. A 1-credit short term study abroad course was created using the IC2 interdisciplinary vision to bring together OT, PT, SLP, and RLS students to explore the health care and culture of the Southern Caribbean region.

Spring 2008- Fall 2009 **Ithaca Free Clinic Occupational Therapy Program Development**
Ran pilot program in fall 2008 semester to provide occupational therapy service at the Ithaca Free Clinic. Measured outcomes and presented final report to secure funding for future semesters. IC and IFC partnership remains active with 2 courses annually.

Fall 2007- Spring 2008 **Community Based Needs Assessment**
Conducted survey-based needs assessment for the Ithaca Free Clinic to determine appropriate occupational therapy services to be offered to their clients. Developed course (OTBS-39901 Special Topics: Conducting a Community Based Needs Assessment) to involve senior OT students with this research project.
