# Announcements

## DIPLOMA DISTRIBUTION

An official diploma will be mailed to the address each student provided on their application for degree and will arrive approximately four weeks after graduation.

## EVENT PHOTOGRAPHY

There will be professional photographers working to capture images of students individually just after they cross the stage. These photos will be available for sale to families within two to three days after the event. Your student will receive an email at that time with details. Photo proofs and additional information will also be mailed to each student's permanent address. Families may purchase photos but are not obligated to do so.

A limited number of candid photos of the ceremony will be available at no cost to families via the Commencement website ([ithaca.edu/commencement](http://ithaca.edu/commencement)) within two weeks after the event.

## SOCIAL MEDIA

Use the hashtag #ICGrads on Instagram and Twitter to share your favorite photos from Commencement and congratulate our graduates.

## FLAGS

The flags of various countries displayed in the Athletics and Events Center honor the international students who are today receiving degrees. Ithaca College is fortunate in the diversity of its community as it prepares students to become worldly citizens.

## MEDALLION

Following a tradition begun in 1992, the college's centennial year, each graduate has received a medallion inscribed with a quotation chosen by the college's president. This year the quotation comes from Ruth Bader Ginsburg: "Fight for the things that you care about, but do it in a way that will lead others to join you."

## BALLOONS

At Commencement, students graduating from the theatre arts department tie purple and white balloons to their wrists to commemorate the lives of IC theatre community members who have passed away.

## ANNOUNCER

Ivy Walz, an associate professor of music performance, is the field announcer.

# Academic Regalia

The gowns and hoods worn on solemn academic occasions perpetuate traditions as old as the world's oldest universities. While European institutions display great diversity in the design and color of academic regalia, their American counterparts adopted a code of regulations that makes it possible for the academic community to identify from the cut of the gown and the color of the hood the wearer's degree, the subject in which it was conferred, and the institution that granted it. In recent years many colleges and universities have departed from the traditional black and adopted official colors for their academic gowns. Thus, the blue gowns with gold chevrons worn by the president and trustees of Ithaca College display the official colors of this institution.

The cut of the gown identifies the degree. The bachelor's gown has pointed sleeves and is worn closed. The master's

gown has oblong-cut sleeves slit at the elbow and is worn open or closed. The doctor's gown, which is also worn open or closed, has bell-shaped sleeves, usually crossed with bands of velvet. The length of the hood also identifies the degree: 36 inches for a bachelor's, 42 inches for a master's, and 48 inches for a doctor's. The color of the hood's velvet binding identifies the wearer's specialized field of study. These colors include white for arts and letters, light brown for business, light blue for education, purple for law, lemon for library science, pink for music, sage green for physical education, blue for philosophy, gold for science, and red for theology.

The silk lining of the hood displays the color or colors of the institution awarding the degree. Earned and honorary degrees awarded by Ithaca College are shown by hoods lined in royal blue and crossed with gold chevrons.

# Honor Cords and Stoles

## HONOR CORDS

Commencement includes many traditions that have been passed down through generations. Among these traditions is the honor cord. The colors of the cords signify graduation honors based on high academic achievement. These honors, listed below, are associated with Latin phrases that indicate the level of distinction with which an academic degree is earned. Ithaca College confers three levels of Latin honors to undergraduates earning a bachelor's degree. The cumulative grade point average ranges for these honors are listed below. A minimum of 60 credits of coursework must be completed at Ithaca College to qualify for this recognition. The honors listed for the students in this program are based on their cumulative grade point average as calculated at the end of the previous fall term. Honors that appear on students' actual diplomas will be based on their final cumulative grade point average.

### Blue and Gold Cord

*Summa cum Laude*      3.900 and above  
(with highest honors)

### Gold Cord

*Magna cum Laude*      3.700–3.899  
(with great honors)

### Blue Cord

*Cum Laude*      3.500–3.699  
(with honors)

## RAINBOW HONOR CORDS

Multicolored rainbow honor cords are worn by some of the LGBTQ and allied graduates at today's ceremony and by LGBTQ and allied students at colleges and universities throughout the world at commencement. Since 2003, IC students have received their cords and been celebrated at the annual rainbow reception, which highlights their achievements. The history of LGBTQ inclusion at Ithaca College would be impossible without the fearless and tireless efforts of its allies and supporters. The use of rainbow colors as a sign of diversity and inclusiveness is a long-standing tradition. The rainbow or pride flag was created by San Francisco artist Gilbert Baker in 1978. The colors symbolize diversity throughout LGBTQ communities and have individual significance: life (red), healing (orange), sunlight (yellow), nature (green), art/harmony (blue), and spirit (purple).

## RED, WHITE, AND BLUE GRADUATION CORDS

A Commencement tradition at Ithaca College is the red, white, and blue graduation cord. Provided to graduating veterans in recognition of and gratitude for their service in protecting our country, these cords are a special honor for veterans as a symbol of their self-sacrifice and service.

## KENTE STOLES

The Kente stole is a patterned, rich, and handwoven cloth that originates with Akan weavers in present-day Ghana. For royalty throughout West Africa, kente is a sacred cloth worn only in times of extreme importance. Similarly, it has been an Ithaca College tradition to present Kente stoles to students of color who are a part of specific programs on campus to recognize their Commencement. The symbol on the Kente stoles, Nea Onnim No Sua A, Ohu, is a West African Adinkra symbol for "knowledge" and "a lifelong quest for learning."

## MARSHALS FOR DEGREE CANDIDATES

At Ithaca College, the position of marshal for degree candidates is one of the highest honors bestowed on graduating seniors. These marshals are selected in February for the Commencement ceremony in May. The registrar prepares a list of eligible candidates based on the criteria below, and one student is selected by the dean of each school. Student marshals must be senior undergraduates who have earned at least 60 course credits at Ithaca College, maintain a current cumulative GPA of 3.50 or higher, and are expected to graduate in May (or December for performance/music education majors). Selected students are, with a few exceptions, the undergraduates who have maintained the highest GPA in their respective schools.

# Commencement Speaker

## Liz Tigelaar '98

With over two decades of experience in the entertainment industry, Liz Tigelaar '98 was most recently creator, showrunner, and executive producer of the acclaimed Hulu limited series *Little Fires Everywhere*. Starring Reese Witherspoon and Kerry Washington, and based on the bestselling novel by Celeste Ng, the series received five Emmy nominations—including Outstanding Limited Series—as well as five NAACP Image Award nominations, a GLAAD Media Award nomination for Outstanding Limited Series, and a WGA Award nomination for Adapted Long Form Series.

Tigelaar studied scriptwriting and politics at Ithaca College, starting her career as an assistant on *Dawson's Creek*. She went on to serve as a writer/producer on such series as

NBC's *American Dreams*; ABC's *Brothers and Sisters*, *Once Upon a Time*, *Revenge*, *Nashville*, and *Astronaut Wives Club*; and A&E's *Bates Motel*. She most recently served as showrunner and executive producer on Hulu's Golden Globe nominated series *Casual*. Prior to that, she created her own series, the critically praised drama *Life Unexpected*, which aired on the CW for two seasons.

Tigelaar was among the IC alumni who delivered words of encouragement via video to last year's graduating class, whose Commencement was held virtually. She has served as a judge for the Golden Doorknob Awards in the Roy H. Park School of Communications, and last fall she participated in a webinar titled "The Hollywood Writers Room" as part of the celebration of the 25th anniversary of Ithaca College's Los Angeles Program.

## Student Speaker

### Allison Elizabeth Kelley '21

In the spirit of inclusivity and of broadening the voices to be represented at this important celebration, all undergraduate seniors were invited to compete to be chosen by the Student Speaker Selection Committee to represent

the class of 2021. Selected to deliver those remarks was Allison Kelley '21, a School of Business student majoring in business administration with a concentration in management, and minoring in integrated marketing communications, communication management and design, and live event design and management.

In addition to serving as senior class president, Kelley has held leadership roles with the Student Governance Council and has been a student representative on the Institutional Effectiveness and Budget Committee, Dean's Host for the School of Business, Student Leadership Consultant in the Office of Student Engagement, and member of Students Today Alumni Tomorrow and Colleges Against Cancer.

Among other honors, Kelley has received the Peggy Ryan Williams Award for Academic and Community Leadership. Not only did she speak at the college's December graduation celebration, but she also helped plan it for her course in Applied Event Management.

## Honorary Degree Recipients

### Raj Chetty

A leading scholar and teacher who has inspired policymakers and social scientists, Raj Chetty is the William A. Ackman Professor of Economics at Harvard University. He has been a pioneer in the use of large-scale data sets to study questions of economic opportunity and

inequality and the use of data to influence policy. He serves as the director of Opportunity Insights, a nonpartisan research and policy institute whose central mission is to develop scalable policy solutions that empower families throughout the United States to rise out of poverty and achieve better life outcomes.

Chetty earned both his BA and PhD degrees in economics from Harvard. Prior to joining the university as one of its youngest-ever tenured faculty members, he taught at the University of California-Berkeley and Stanford.

The author of research papers on topics ranging from the effects of tax cuts on corporate behavior to intergenerational mobility and factors that influence life expectancy, Chetty has been honored with a MacArthur "Genius" Fellowship, a Carnegie Foundation Great Immigrants Award, and the John Bates Clark Medal from the American Economic Association, which called him "arguably the best applied microeconomist of his generation."

### Kelly Brown Douglas

The Very Rev. Dr. Kelly Brown Douglas is dean of the Episcopal Divinity School at Union and the Bill and Judith Moyers Chair in Theology at the Union Theological Seminary. She also serves as the canon theologian at the Washington National Cathedral and theologian in residence at Trinity Church Wall Street in New York City.

Among the first Black women to be ordained a priest in the Episcopal Church, Douglas is considered a leader in the field of womanist theology, racial reconciliation, and sexuality and the Black church. Through her writing, preaching, teaching, and work in the public square, Douglas has been a

tireless advocate for justice and dignity for every human being, particularly those who are marginalized because of their race, gender, or sexuality. In 2019, she spoke at Ithaca College as part of the Peggy Ryan Williams Difficult Dialogues Symposium.

Douglas' books include *Sexuality in the Black Church: A Womanist Perspective*, *Black Bodies and the Black Church: A Blues Slant*, and *Stand Your Ground: Black Bodies and the Justice of God*, inspired by Trayvon Martin's death, and the forthcoming *Resurrection Hope: A Future Where Black Lives Matter*.

She served a parish in Washington, D.C., for over 20 years, and prior to joining the Episcopal Divinity School at Union in 2017, she taught at Goucher College, Howard University School of Divinity, and Edward Waters College.

# Presidential Medal Recipient

First awarded in 2019, the Ithaca College Presidential Medal was created as a way to honor an individual or a group whose significant contributions better our Ithaca College community and better our world. The recipient must capture the spirit of Ithaca College by demonstrating a deep dedication to the importance of intellectual growth; a commitment to the evolution of character, identity, and spirit; and a strong sense of service and sustainability that is greater than oneself.

The Ithaca College Presidential Medal is a replica of the medallion given to graduating IC students at Commencement to commemorate and forever connect to this celebratory occasion and this tremendous honor.

## Eileen Filler-Corn '86

Speaker of the House of Delegates Eileen Filler-Corn '86, the first woman in the 402-year history of Virginia's legislature to hold the position, rose to this role after representing the 41st House District for a decade, making her the fastest person to

ascend to the post.

Filler-Corn has devoted her career to public service. She was an original organizer of the Million Mom March, acting as the vice president and chair of the Northern Virginia chapter in 2001. Prior to her election to the House, she served in the administrations of Virginia governors Mark Warner and Tim Kaine. She has spent her time in the legislature as a

listener and problem solver, delivering results that move her community forward and advocating for everyone equally regardless of background, circumstance, or ideology. She has introduced, championed, and passed legislation that has made Virginia a safer, stronger, and more equal Commonwealth.

A politics major at Ithaca College, Filler-Corn founded the College Democrats and organized a visit to Ithaca by Geraldine Ferraro, who was the first woman nominated for national office by a major party when she served as Walter Mondale's vice presidential running mate in 1984. After graduating in 1986, Filler-Corn went on to receive her juris doctor degree from American University Washington College of Law.

## Ithaca Forever

**MUSIC** Philip J. Lang '33

**LYRICS** Alicia Carpenter

Ithaca, forever shine your light on me;  
In my heart together we shall always be.  
And here's to Ithaca, my Ithaca, how beautiful you are:  
Your towers high upon South Hill reach from stone to star.

Ithaca, forever I'll recall a smile,  
Clasp a hand in friendship, walk a snowy mile.  
And here's to Ithaca, my Ithaca—alma mater true;  
Although I leave Cayuga's shore, I'll remember you.

Ithaca, forever guide us on our way;  
Like a shining beacon light our night and day.  
And here's to Ithaca, my Ithaca, how bright your vision seems;  
May all your sons and daughters dare to live their dreams.
