

2023

Women

in
Math Day

Saturday, February 11

11 AM - 12:30 PM

A free event designed for female high school students and their families. All students in grades 7-12 are welcome!

Learn why you
may want to
study math in
college

**Remote
event!**

Interact with a
panel of women
who use math in
their careers

Register at
<https://tinyurl.com/ICWomeninMathDay>
by February 10!

ITHACA COLLEGE

School of Humanities and Sciences

Sponsored by an MAA Tensor Women in Mathematics
Grant, the Ithaca College Math Department, and
Ithaca College Alumni Relations
