

Student Organization Leadership Conference

Schedule of Events for Students

1-2pm

Solicitation and Your Student Org

Presented by: Dan Rogers, Office of Student Engagement

This presentation will introduce or remind attendees to their options for campus-wide solicitation which they can use to advertise their organization, promote their message, or spread the word about events and other initiatives. I'll give a background on constraints, locations, and other important information/guidelines for this process.

2-2:30pm

25 Live @ IC

Presented by: Maggie Edwards, Conference and Events Services

This presentation will teach attendees how to plan events with Conference and Events Services, also known as CES. Everything from reserving rooms to invoicing will be covered and a hands-on tutorial on how to use 25 Live, IC's room reservation platform that all Recognized Student Organizations have access to, will be given.

2:30-3pm

Requesting Funds from SGC

Presented by: An Executive Board member from Student Governance Council

The Student Governance Council (SGC) Appropriations Committee is the governing body that allocates funds to Recognized Student Organizations during the academic year. This presentation will help Student Org leaders learn how to navigate the process to request funds.

***This presentation will count as attendance for a Funding Workshop, which is required by SGC prior to an org's first funding request of the year!**

3-4pm

healthy working relationships

Presented by: Student Interns, Title IX Office

During this session, we will be discussing how to build and maintain healthy working relationships with those around you. We will discuss the foundations of healthy relationships, offer practical tools for you to utilize in your day-to-day, and go through some examples of what's healthy vs. unhealthy relationships look like in practice.

4-5pm

Teambuilding Fun!

Presented by: Mish Lenhart, Office of Student Engagement

Participate in this highly interactive session where you can learn several low-risk team building activities that you can facilitate for your student organization! You will leave with the tools to help your members bond and a practical plan for providing a smooth and successful team experience for your club. This session is for students AND Advisors!
