

Student Organization Leadership Conference

Schedule of Events for Advisors

1-2pm

healthy working relationships

Presented by: Linda Koenig and Leonardo Wise, Title IX Office

During this session, we will be discussing how to build and maintain healthy working relationships with those around you. We will discuss the foundations of healthy relationships, offer practical tools for you to utilize in your day-to-day, and go through some examples of what's healthy vs. unhealthy relationships look like in practice.

2-2:30pm

Requesting Funds from SGC

Presented by: An Executive Board member from Student Governance Council

The Student Governance Council (SGC) Appropriations Committee is the governing body that allocates funds to Recognized Student Organizations during the academic year. This presentation will help Advisors learn about the funding request process so that they may better advise their Student Org leaders and assist them with planning their events and trips.

2:30-3:30pm

OSE Finance and Travel Policies

Presented by: Brittany Watros, Office of Student Engagement

This presentation will cover the Office of Student Engagement's policies and procedures for Student Organization finances and travel requests. Learn about how to support your Student Org leaders in the travel preparations, the role you play in the travel process, and how to advise your students on their spending and financial bookkeeping.

3:30-4:30pm

Managing Difficult Conversations Like a Pro!

Presented by: Jess Shapiro, Office of Student Engagement

As advisors, we often have difficult conversations with students and also guide our student leaders through challenging conversations with their org members and fellow leaders. Join this session to talk through some case studies of difficult conversations and discuss the best approaches. This will be an interactive session!

4-5pm

Teambuilding Fun!

Presented by: Mish Lenhart, Office of Student Engagement

Participate in this highly interactive session where you can learn several low-risk team building activities that you can facilitate for your student organization! You will leave with the tools to help your members bond and a practical plan for providing a smooth and successful team experience for your club. This session is for students AND Advisors!
