Account Inquiry – Funds User Guide

Ithaca College

Overview

Departmental employees are assigned the responsibility for reviewing departmental budgets and accounts. In order to purchase or pay for goods or services, funds must be available within the assigned account.

Objective

Ithaca College employees who have access to departmental accounts will be able to review budgets and available funds.

These individuals will also be able to run Departmental Activity Reports and IC Funds Available Report in Parnassus to assist with reviewing budgets, actual expenses, encumbrances, and funds available.

Resources

- Budget Department: <http://www.ithaca.edu/budget/>
- Financials Services: http://www.ithaca.edu/financial_services/

Process for Inquiring on Funds Available & Account Detail

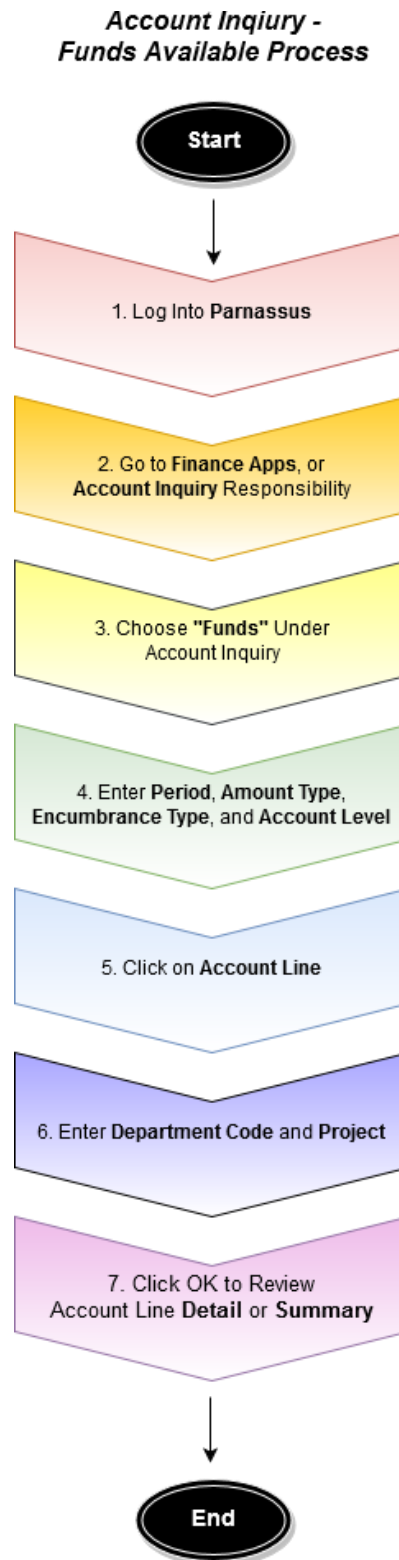

Figure 1 Account Inquiry Funds Available Process

Inquire on Available Funds

The following instructions will assist end-users in accessing departmental account information in Parnassus that includes budget, encumbrance, actual, and funds available balances. Detailed transaction information can also be viewed.

- **Log in to Parnassus**
- Click departmental name ... **“Finance Apps” or “Account Inquiry”** responsibility to expand (Figure 2 & 3)
 - Click **Account Inquiry**
 - Choose **Funds**

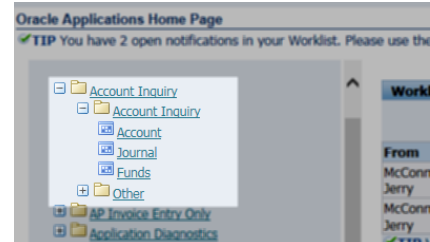

Figure 2 Accessing Available Funds from Account Inquiry Responsibility

Account Inquiry Form (Figure 4)

- **Ledger** – defaults to Ithaca College (IC only has one ledger)
- **Budget** defaults to **Adjusted Budget**
Throughout the fiscal year, end-users may enter changes to the **Adjusted Budget only**, to better reflect the daily operational needs within the departmental budgets.

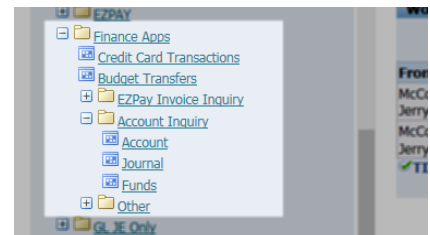

Figure 3 Accessing Available Funds from Finance Apps Responsibility

The Original Budget is approved by the Board of Trustees and remains “Static”. Requests for changes to the Original Budget resulting from such occurrences as re-organizations or permanent allocations from one account to another must be entered by the Budget Office.

- **Enter Period**
 - Use LOV to select period, or enter month & year (3/17), and then press Tab
- **Amount Type**
 - **Year to date Extended** shows balances from June 1 to the Period you enter for the same FY.
 - **Project to Date** shows balances from beginning on project (use if 02, 03, 06 Fund) to the Period you enter.

Account Inquiry – Funds User Guide

Ithaca College

- **Encumbrance Type “ALL”**
(Encumbrance – displays funds in reserve that have not yet been spent)
- **Account Level “ALL” (includes Detail & Summary)**
 - **Detail** displays balances for each account line within the requested account(s).
 - **Summary** displays the sum of balances for 01 funds only in specific subcode ranges and is used for funds checking.

Find Accounts (Figure 5)

- Click anywhere on the Account line (or use Flashlight if highlighted)
- Enter **Department Code** if you have access to more than one department.
- Leave **Subcode & User Codes BLANK** (for all ranges), delete “000” in both high & low columns*
- Leave **Project Code blank for all projects***. To choose one Project, enter that Project code in both columns (users should view account information by Project)
- Click **OK**

The screenshot shows the 'Find Accounts' dialog box in the 'Funds Available Inquiry (Ithaca College)' application. The dialog box is overlaid on a table with columns for Account, Budget, Encumbrance, Actual, and Funds Available. The 'Find Accounts' dialog has fields for Fund, Function, Division, Department (610), Subcode, User, and Project (00000). It also has 'Low' and 'High' columns for the Project field. Buttons for OK, Cancel, Clear, and Help are at the bottom.
