

Arthur O. Eve Higher Education Opportunity Program

SUPPORT UNTIL GRADUATION

Throughout their time at Ithaca College, HEOP scholars receive access to enhanced support services, including:

- Academic, personal, career, and financial support
- Peer & faculty mentors and tutors
- Academic success programming
- Laptop and calculator lending
- Alumni networking opportunities

All incoming first-year HEOP scholars are required to participate in a five-week Summer Institute prior to entering Ithaca College. Summer Institute provides a valuable and rigorous preview of Ithaca College.

Summer Institute 2025:

**June 29 - August 2,
2025**

“

HEOP has given me a safe space and has been my home away from home. Knowing I have people to lean on and support me endlessly whenever I need it most has made my college experience so much better.

The Arthur O. Eve Higher Education Opportunity Program (HEOP) provides a broad range of services to New York State residents who, because of educational and economic circumstances, have not had access to an academic foundation required to be successful in a program or institution of higher education to which they apply for admission. Each HEOP institution must ensure that HEOP students are provided with sufficient academic support services, tuition assistance, supplemental financial assistance, and full need packaging to enable them to successfully complete the institutional components required for graduation. HEOP and its activities are supported, in whole or in part, by the New York State Education Department.
