

Interested in **Research in Chemistry** for the **Fall** semester?

- CHEM 48600 – required research for Chemistry Majors
- BIOC 39000 – required research for Biochemistry Majors*
- * *Biochemistry majors can do their research with either Chemistry OR Biology faculty*
- CHEM 29200 – new or returning research students

1. *Fill out the Student Research Interest Survey (QR code above) **by March 7th** – Chemistry faculty will reach out to you to set up individual meetings between March 17th – 28th.*
2. *Meet with faculty to learn about research projects and potential lab openings.*
3. *After meeting with faculty, you will receive a link via email to a second survey to communicate your lab preferences. Please complete this survey between March 31st and April 2.*
4. *Lab placement announcements will be sent out by April 4th (before registration for the fall semester begins).*
