Ithaca College: Office of the Registrar: How to Apply for Graduation

If you need to make any corrections during the application process, use the back button located next to the continue button at the bottom of the page.

1. Access HomerConnect via apps.ithaca.edu.
2. Select Apply to Graduate on from the menu on the left-hand side of the page.

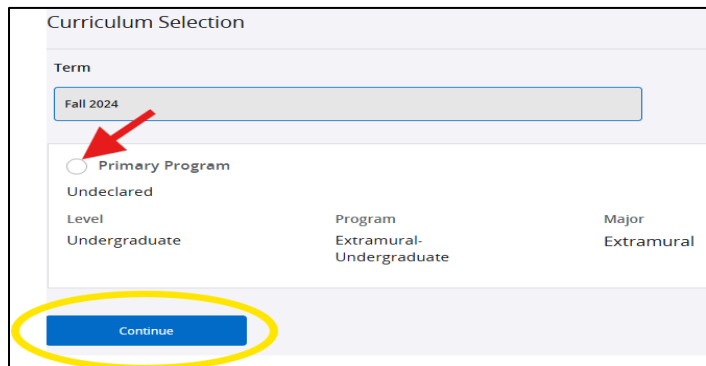

Getting an error message that **no terms are available**? Check Overall Hours at the top of your HomerConnect landing page.

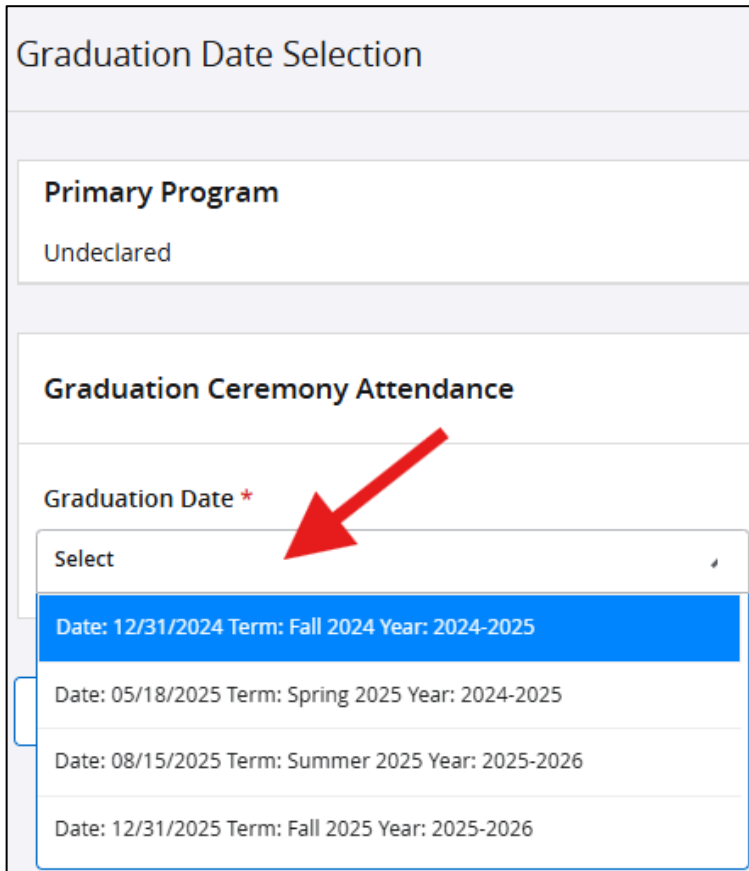

If you do not have 105 earned credits as an Undergrad student or 21 earned credits as a Graduate student, you will need to wait until the end of the current term, after final grades are processed, before you can submit your application.

3. Select your primary program.
If you have more than one, simply select one, complete the application and then access it again to complete the next program

A screenshot of the 'Curriculum Selection' form. The form has a light gray background. At the top, there is a 'Term' dropdown menu with 'Fall 2024' selected. Below this is a radio button labeled 'Primary Program'. Underneath the radio button is the text 'Undeclared'. Below that is a table with three columns: 'Level', 'Program', and 'Major'. The 'Level' column has 'Undergraduate' listed. The 'Program' column has 'Extramural-Undergraduate' listed. The 'Major' column has 'Extramural' listed. At the bottom of the form, there is a blue button labeled 'Continue' which is highlighted with a yellow oval. A red arrow points to the 'Primary Program' radio button.

4. Select your Graduation Date from the dropdown menu and click continue.

This is the date your degree will be complete, not the commencement you want to attend. You will receive additional information regarding ceremony attendance.
