Announcements

DIPLOMA DISTRIBUTION

An official diploma will be mailed to the address each student provided on their application for degree and will arrive approximately four weeks after graduation.

EVENT PHOTOGRAPHY

There will be professional photographers working to capture images of students individually on the stage. These photos will be available for sale to families within two to three days after the event. Your student will receive an email at that time with details. Photo proofs and additional information will also be mailed to each student's permanent address. Families may purchase photos but are not obligated to do so.

A limited number of candid photos of the ceremony will be available at no cost to families via the Commencement website (ithaca.edu/commencement) within two weeks after the event.

FLAGS

The flags of various countries displayed in the Athletics and Events Center honor the international students who are today receiving degrees. Ithaca College is fortunate in the diversity of its community as it prepares students to become worldly citizens.

MEDALLION

Following a tradition begun in 1992, the college's centennial year, each graduate has received a medallion inscribed with a quotation chosen by the college's president. This year the quotation comes from academic, author, and podcaster Brené Brown: "Faith is a place of mystery, where we find the courage to believe in what we cannot see and the strength to let go of our fear of uncertainty."

MARSHALS FOR DEGREE CANDIDATES

At Ithaca College, the position of marshal for degree candidates is one of the highest honors bestowed on graduating seniors. These marshals are selected in February for the Commencement ceremony in May. The registrar prepares a list of eligible candidates based on the criteria below, and one to two students are selected by the dean of each school. Student marshals must be senior undergraduates who have earned at least 60 course credits at Ithaca College, maintain a current cumulative GPA of 3.50 or higher, and are expected to graduate in May (or December for performance/music education majors). Selected students are, with a few exceptions, the undergraduates who have maintained the highest GPA in their respective schools.

Academic Regalia

The gowns and hoods worn on solemn academic occasions perpetuate traditions as old as the world's oldest universities. While European institutions display great diversity in the design and color of academic regalia, their American counterparts adopted a code of regulations that makes it possible for the academic community to identify from the cut of the gown and the color of the hood the wearer's degree, the subject in which it was conferred, and the institution that granted it. In recent years many colleges and universities have departed from the traditional black and adopted official colors for their academic gowns. Thus, the blue gowns with gold chevrons worn by the president and trustees of Ithaca College display the official colors of this institution.

The cut of the gown identifies the degree. The bachelor's gown has pointed sleeves and is worn closed. The master's gown has oblong-cut sleeves slit at the elbow and is worn open or closed. The doctor's gown, which is also worn open or closed, has bell-shaped sleeves, usually crossed with bands of velvet. The length of the hood also identifies the degree: 36 inches for a bachelor's, 42 inches for a master's, and 48 inches for a doctor's.

Earned and honorary degrees awarded by Ithaca College are shown by hoods lined in royal blue and crossed with gold chevrons.

Honor Cords and Stoles

HONOR CORDS

Commencement includes many traditions that have been passed down through generations. Among these traditions is the honor cord. The colors of the cords signify graduation honors based on high academic achievement. These honors, listed below, are associated with Latin phrases that indicate the level of distinction with which an academic degree is earned. Ithaca College confers three levels of Latin honors to undergraduates earning a bachelor's degree. The cumulative grade point average ranges for these honors are listed below. A minimum of 60 credits of coursework must be completed at Ithaca College to qualify for this recognition. The honors listed for the students in this program are based on their cumulative grade point average as calculated at the end of the previous fall term. Honors that appear on students' actual diplomas will be based on their final cumulative grade point average.

Blue and Gold Cord

<i>Summa Cum Laude</i> (with highest honors)	3.900 and above
--	-----------------

Gold Cord

<i>Magna Cum Laude</i> (with great honors)	3.700–3.899
--	-------------

Blue Cord

<i>Cum Laude</i> (with honors)	3.500–3.699
--------------------------------	-------------

FIRST-GENERATION HONOR CORDS

Here at Ithaca College, we value our first-generation student population. We define a first-generation student as one who is the first in their family to attend and graduate from a four-year residential college in the United States. These students at IC have gone the extra mile as leaders throughout campus and have accomplished remarkable things in and out of the classroom. To celebrate this achievement, they have received a navy, white, and silver honor cord for today's ceremony. We wish all of our first-generation graduates well as they embark on their professional aspirations.

RAINBOW HONOR CORDS

Multicolored rainbow honor cords are worn by some of the LGBTQ and allied graduates at today's ceremony and by LGBTQ and allied students at colleges and universities throughout the world at commencement. Since 2003, IC students have received their cords and been celebrated at the annual lavender celebration, which highlights their achievements. The history of LGBTQ inclusion at Ithaca College would be impossible without the fearless and tireless efforts of its allies and supporters. The use of rainbow colors as a sign of diversity and inclusiveness is a long-standing tradition. The rainbow or pride flag was created by San Francisco artist Gilbert Baker in 1978. The colors symbolize diversity throughout LGBTQ communities and have individual significance: life (red), healing (orange), sunlight (yellow), nature (green), art/harmony (blue), and spirit (purple).

VETERAN STOLES

A Commencement tradition at Ithaca College is the veteran stole. The stoles, which are provided to students who have self-identified as veterans of the U.S. Armed Forces, display each student's chosen branch of military service. These stoles are in recognition of and gratitude for their service in protecting our country and are a special honor for veterans as a symbol of their self-sacrifice and service. We thank all veterans for their service.

KENTE STOLES

The Kente stole is a patterned, rich, and handwoven cloth that originates with Akan weavers in present-day Ghana and Côte d'Ivoire. For royalty throughout West Africa, Kente is a sacred cloth worn in times of extreme importance. Similarly, it has been an Ithaca College tradition to present Kente stoles to recognize the commencement of students who exemplify leadership in programs with the BIPOC Unity Center or other programs across campus. The symbols on the Kente stoles are part of a group of symbols referred to as "adinkra," each representing concepts, proverbs, and aphorisms.

Honorary Degree Recipient

Robert A. Iger '73

A longtime supporter of the college, Robert A. Iger earned his degree in television-radio from IC in 1973 and currently serves as the chief executive officer of the Walt Disney Company.

Widely recognized as one of the world's most consequential business leaders, Iger got his start at ABC. During the ensuing years, he obtained hands-on experience in every aspect of the television business from news, sports, and entertainment to program acquisition, rights negotiations, and business affairs.

Iger officially joined the Disney senior management team in 1996 as chairman of the Disney-owned ABC Group. He served as Disney's president and chief operating officer from 2000 to 2005, was named chief executive officer in 2005, and was elected to the additional role of chairman in 2012. In 2020, he became executive chairman prior to retiring in 2021. He returned to Disney as CEO in November 2022 and has led a significant, enterprise-wide transformation to restore creativity to the center of the company and position Disney's streaming business for sustained growth and profitability.

Among his numerous honors, Iger was inducted into the Broadcasting and Cable Hall of Fame in 2015 and the Television Academy Hall of Fame in 2020. In 2022, he was recognized as an Honorary Knight Commander of the Most Excellent Order of the British Empire by Her Late Majesty Queen Elizabeth II for his services to U.K./U.S. relations. Iger

was also awarded the Chevalier de Legion d'Honneur by the French Republic in 2024 for his outstanding commitments and merits displayed through his professional accomplishments and public service. He was *Time* magazine's Businessperson of the Year in 2019 and has been named as one of *Forbes* magazine's World's Most Powerful People, *Fortune* magazine's 25 Most Powerful People in Business, and *Institutional Investor* magazine's Best CEOs.

Throughout his career, Iger has remained a passionate and involved member of the Ithaca College community. He established the Reginald Simmons '75 Memorial Award, in honor of his lifelong friend, that funds two students each year to participate in the cross-cultural exchange program Operation Crossroads Africa. In 2019, he and his wife, Willow Bay, generously committed to a \$1 million gift to establish the Iger-Bay Endowed Scholarship, funded through proceeds from sales of Iger's New York Times best-selling book, *The Ride of a Lifetime: Lessons Learned from 15 Years as CEO of The Walt Disney Company*.

Iger served as IC's 1993 Commencement speaker, helped launch the college's Making a World of Difference fundraising campaign in 2006, and regularly participates in the S'Park! Igniting Your Future in Communications course taught in the Roy H. Park School of Communications. He was elected to the Ithaca College Board of Trustees in 1989 and became an honorary trustee in 1990. In 2008, the IC Alumni Association recognized him with the Distinguished Alumni Award.

CEO of Compass Advisors LLC, Monica Digilio holds a BS in cinema and photography (1985) and an MS in communications (1986) from IC's Roy H. Park School of Communications. She is an esteemed executive who has led human resources for some of the most

well-known global brands in hospitality and entertainment, including Atlantis Resorts, One&Only, Caesars Entertainment, and Montage International.

In those roles, Digilio served as a trusted advisor and collaborator to senior executives, successfully leading large-scale transformation and growth initiatives, executing complex financial/organizational restructuring, and implementing strategies to enhance workplace culture and employee experience while creating growth and development opportunities.

Compass Advisors, founded by Digilio in 2021, provides strategic advisory support to senior-level executives, private equity investors, and boards of directors, with a focus on human capital strategy and management, business leadership, talent development, and organizational planning.

Prior to Compass, Digilio was executive vice president and chief human resources officer for Caesars Entertainment Corporation, a global gaming, hospitality, and entertainment company. There, she led the human resources and corporate social responsibility functions and supported a global workforce of 65,000 team members.

Previous positions included chief human resources officer at Montage International, owner and manager of the Montage and Pendry luxury hospitality brands; executive vice president of global human resources and administration for Kerzner International, parent company of the Atlantis and One&Only integrated resorts and luxury hotel brands; and vice president of human resources for the North America and franchise divisions of ITT Sheraton Corporation/Starwood Hotels & Resorts.

While a student at Ithaca College, Digilio was elected to the Phi Kappa Phi national honor society. Her alumni service has included membership on the Park School Board of Advocates. She currently serves on the boards of directors of Seaport Entertainment Group, Venetian Resort Las Vegas, CopperPoint Insurance Companies, and Sunstone Hotel Investors Inc. She is also on the advisory board for Cornell University's Leland C. and Mary M. Pillsbury Institute for Hospitality Entrepreneurship and is a member of the National Association of Corporate Directors and the Women Corporate Directors foundation.

Student Speaker

Jasmine Nichelle Williams '25

In the spirit of inclusivity and of broadening the voices to be represented at this important celebration, all graduating seniors were invited to apply

to represent the class of 2025 as the student speaker.

Selected to deliver those remarks was Jasmine Nichelle Williams, who will be receiving a bachelor of fine arts degree in acting.

Among her many leadership roles on campus, Jasmine Williams has served as the president of Black Artists United, helping create safe spaces and performance opportunities for artists of color through cabaret-fundraisers, workshops, and community service.

Williams has also been a member of the Amani Gospel Singers, the student manager for the BOLD Women's Leadership Network, and served on the 2025 Women Leaders Series Planning Team. **Congratulations,
graduates!**

Ithaca Forever

Ithaca, forever shine your light on me.
In my heart together we shall always be.
And here's to Ithaca, my Ithaca, how beautiful you are.
Your towers high upon South Hill reach from stone to star.
Ithaca, forever I'll recall a smile,
Clasp a hand in friendship, walk a snowy mile.
And here's to Ithaca, my Ithaca—alma mater true.
Although I leave Cayuga's shore, I'll remember you.
Ithaca, forever guide us on our way.
Like a shining beacon light our night and day.
And here's to Ithaca, my Ithaca, how bright your vision seems.
May all your sons and daughters dare to live their dreams.
