

Criminal Background Check Procedures

The background check through **DISA Healthcare Technology** includes the following:

- Current U.S. County Criminal
- Nationwide Healthcare Fraud & Abuse Scan
- Social Security Alert
- Residency History
- Nationwide Criminal Database & Sex Offender Index

All searches have a minimum scope of 7 years.

To order your background check from **DISA Healthcare Technology**:

1. Go to <https://disahealthcare.com/>
2. Click on the **Place Order** button at the top of the screen
3. Click on the **DISA CB** tile
4. In the Package Code box, enter package code: TC61
5. Fill in the information requested

Once your order is submitted, you will receive a password to view the results of your background check. The results will be available in approximately 48-72 hours.

If you encounter any problems or have any questions about the process, you can contact DISA Healthcare Technology at 888-723-4263 or utilize the Contact Support portion of the DISA Healthcare Technology website.

*Students should check with their affiliation site to verify that the DISA Healthcare Technology background check will meet their requirements prior to initiating a DISA Healthcare Technology background check.
