# Announcements

## DIPLOMA DISTRIBUTION

An official diploma will be mailed to the address each student provided on their application for degree and will arrive approximately four weeks after graduation.

## EVENT PHOTOGRAPHY

There will be professional photographers working to capture images of students individually on the stage. These photos will be available for sale to families within two to three days after the event. Your student will receive an email at that time with details. Photo proofs and additional information will also be mailed to each student's permanent address. Families may purchase photos but are not obligated to do so.

A limited number of candid photos of the ceremony will be available at no cost to families via the Commencement website ([ithaca.edu/commencement](http://ithaca.edu/commencement)) within two weeks after the event.

## SOCIAL MEDIA

Use the hashtag #ICGrads on Instagram to share your favorite photos from Commencement and congratulate our graduates.

## FLAGS

The flags of various countries displayed in the Athletics and Events Center honor the international students who are today receiving degrees. Ithaca College is fortunate in the diversity of its community as it prepares students to become worldly citizens.

## MEDALLION

Following a tradition begun in 1992, the college's centennial year, each graduate has received a medallion inscribed with a quotation chosen by the college's president. This year the quotation comes from writer and civil rights activist James Baldwin: "Not everything that is faced can be changed, but nothing can be changed until it is faced."

## ANNOUNCER

Marc Webster, associate professor of music performance, is the announcer.

## MARSHALS FOR DEGREE CANDIDATES

At Ithaca College, the position of marshal for degree candidates is one of the highest honors bestowed on graduating seniors. These marshals are selected in March for the Commencement ceremony in May. The registrar prepares a list of eligible candidates based on the criteria below, and one to two students are selected by the dean of each school. Student marshals must be senior undergraduates who have earned at least 60 course credits at Ithaca College, maintain a current cumulative GPA of 3.50 or higher, and are expected to graduate in May (or December for performance/music education majors). Selected students are, with a few exceptions, the undergraduates who have maintained the highest GPA in their respective schools.

# Academic Regalia

The gowns and hoods worn on solemn academic occasions perpetuate traditions as old as the world's oldest universities. While European institutions display great diversity in the design and color of academic regalia, their American counterparts adopted a code of regulations that makes it possible for the academic community to identify from the cut of the gown and the color of the hood the wearer's degree, the subject in which it was conferred, and the institution that granted it. In recent years many colleges and universities have departed from the traditional black and adopted official colors for their academic gowns. Thus, the blue gowns with gold chevrons worn by the president and trustees of Ithaca College display the official colors of this institution.

The cut of the gown identifies the degree. The bachelor's gown has pointed sleeves and is worn closed. The master's gown has oblong-cut sleeves slit at the elbow and is worn open or closed. The doctor's gown, which is also worn open or closed, has bell-shaped sleeves, usually crossed with bands of velvet. The length of the hood also identifies the degree: 36 inches for a bachelor's, 42 inches for a master's, and 48 inches for a doctor's.

Earned and honorary degrees awarded by Ithaca College are shown by hoods lined in royal blue and crossed with gold chevrons.

# Honor Cords and Stoles

## HONOR CORDS

Commencement includes many traditions that have been passed down through generations. Among these traditions is the honor cord. The colors of the cords signify graduation honors based on high academic achievement. These honors, listed below, are associated with Latin phrases that indicate the level of distinction with which an academic degree is earned. Ithaca College confers three levels of Latin honors to undergraduates earning a bachelor's degree. The cumulative grade point average ranges for these honors are listed below. A minimum of 60 credits of coursework must be completed at Ithaca College to qualify for this recognition. The honors listed for the students in this program are based on their cumulative grade point average as calculated at the end of the previous fall term. Honors that appear on students' actual diplomas will be based on their final cumulative grade point average.

### Blue and Gold Cord

*Summa Cum Laude* (with highest honors) 3.900 and above

### Gold Cord

*Magna Cum Laude* (with great honors) 3.700–3.899

### Blue Cord

*Cum Laude* (with honors) 3.500–3.699

## FIRST-GENERATION HONOR CORDS

Here at Ithaca College, we value our first-generation student population. We define a first-generation student as one who is the first in their family to attend and graduate from a four-year residential college in the United States. These students at IC have gone the extra mile as leaders throughout campus and have accomplished remarkable things in and out of the classroom. To celebrate this achievement, they have received a navy, white, and silver honor cord for today's ceremony. We wish all of our first-generation graduates well as they embark on their professional aspirations.

## RAINBOW HONOR CORDS

Multicolored rainbow honor cords are worn by some of the LGBTQ and allied graduates at today's ceremony and by LGBTQ and allied students at colleges and universities throughout the world at commencement. Since 2003, IC students have received their cords and been celebrated at the annual lavender celebration, which highlights their achievements. The history of LGBTQ inclusion at Ithaca College would be impossible without the fearless and tireless efforts of its allies and supporters. The use of rainbow colors as a sign of diversity and inclusiveness is a long-standing tradition. The rainbow or pride flag was created by San Francisco artist Gilbert Baker in 1978. The colors symbolize diversity throughout LGBTQ communities and have individual significance: life (red), healing (orange), sunlight (yellow), nature (green), art/harmony (blue), and spirit (purple).

## VETERAN STOLES

A Commencement tradition at Ithaca College is the veteran stole. The stoles, which are provided to students who have self-identified as veterans of the U.S. Armed Forces, display each student's chosen branch of military service. These stoles are in recognition of and gratitude for their service in protecting our country and are a special honor for veterans as a symbol of their self-sacrifice and service. We thank all veterans for their service.

## KENTE STOLES

The Kente stole is a patterned, rich, and handwoven cloth that originates with Akan weavers in present-day Ghana and Côte d'Ivoire. For royalty throughout West Africa, Kente is a sacred cloth worn in times of extreme importance. Similarly, it has been an Ithaca College tradition to present Kente stoles to recognize the commencement of students who exemplify leadership in programs with the Unity Center or other programs across campus. The symbols on the Kente stoles are part of a group of symbols referred to as "adinkra," each representing concepts, proverbs, and aphorisms.

## Honorary Degree Recipients

### Frank Kruppa

Frank Kruppa is being honored for his extraordinary public health leadership in the Ithaca community during the COVID-19 pandemic, including overseeing the creation of mass

COVID-19 testing sites and procedures and later helping launch vaccination sites and awareness programs throughout the county.

Public health professionals globally were thrust into the limelight from the onset of the pandemic. As Tompkins County Health Commissioner, Kruppa was steadfast in his commitment to employing a firm but compassionate approach to the local COVID response during a time when the science was continually evolving. For close to two years, he met regularly with the county's three higher education institutions, leaders from the local health care system, and various public safety officials to provide guidance for their respective COVID responses.

Kruppa later shepherded the strategic integration of the county's public health and mental health services to create the new "Whole Health" department, with not only shared leadership and administration but also a shared mission and values.

He and his staff have supported efforts to educate the next generation of public health professionals, facilitating access to internships, fellowships, and research opportunities. He has served as a guest lecturer and recently taught a course on public health in the School of Health Sciences and Human Performance.

In March 2025, Kruppa joined Centralus Health as assistant vice president of community program development and partner integration, tasked with coordinating health care in underserved areas between Elmira and Ithaca and helping to establish a Crisis Stabilization Center.

Among other leadership roles, Kruppa has served as president of the New York State Association of County Health Officials Board of Directors, chair of the Tompkins County Health Planning Council and of the Community Foundation of Tompkins County Board of Directors, and member of the Board of Trustees of Tompkins Cortland Community College and of the Board of Directors of Care Compass Network. He holds a BA in environmental studies from Binghamton University, MPH from the University of Albany, and MPA from the University of Central Florida.

### Robert Moss

Robert Moss has a record of outstanding public achievement in the arts. Prior to his career as a director and educator, he concluded an active stage management career with the

legendary APA Repertory Company, starring Helen Hayes, Rosemary Harris, Donald Moffat, and Nancy Marchand.

In 1971, Moss founded Playwrights Horizons in New York City, one of the most important not-for-profit theatre organizations in the history of theatre in the United States. Committed to championing the voice of new playwrights, he spent 10 years as producing director of Playwrights Horizons and produced works by more than 150 writers, including Wendy Wasserstein, Albert Innaurato, James Lapine, and William Finn.

Moss became the artistic director of the Hangar Theatre in Ithaca in 1982, leading the theatre for 14 seasons before accepting the same position at Syracuse Stage. During his time at the Hangar, he cast Ithaca College students in every summer season and began the Hangar Theatre Lab Company, which continued to offer summer training to students for several decades after his departure.

Moss stepped down from Syracuse Stage in 2007 but continues to pass on his experience and knowledge to new generations of theatre students, including at Playwrights Horizons Theatre School (affiliated with NYU), which renamed one of their venues in his honor as the Robert Moss Theater.

In Ithaca College's Center for Theatre and Dance, Moss taught directing courses for several semesters as a part-time faculty member and sabbatical replacement. He has offered guest artist workshops on storytelling and directed a production of Ibsen's *An Enemy of the People* as part of the main-stage theatre season. He continues to regularly meet with students one on one and even finds ways to stay in Ithaca on the days he is not teaching so that he can be available.

Moss has served as a board member of numerous theatre organizations and as a panelist for the New York State Council on the Arts and the National Endowment for the Arts. His extensive directing credits include such regional theatres as The McCarter and The Old Globe.

## Commencement Speaker

### Ana Wilkowski '95

After earning a bachelor's degree in finance from Ithaca College's School of Business, Ana Wilkowski went on to build a career on Wall Street, serving in several roles at global financial

institutions, including J.P. Morgan. In 2002, with her experience in risk management and operational oversight, she cofounded Performance Optimal Health with her husband, Todd, a 1993 graduate of IC's physical therapy program.

In the beginning, Performance Optimal Health was focused on orthopedics and sports physical therapy. As the health and fitness landscape evolved, the business expanded to include a team of therapists, trainers, instructors, and coaches to help educate, guide, and support clients on finding balance in their lives in recovery, exercise, stress management, and nutrition.

As chief financial officer, Wilkowski has overseen all aspects of accounting and finance for Performance Optimal Health, guiding the organization through sustained growth and an expansion to seven locations across Connecticut and Florida. Her leadership ensures that the company operates with fiscal discipline and long-term strategic vision—enabling the clinical team to focus on delivering exceptional care.

## Student Speaker

### Lili Nicole Chalfant '26

All undergraduate members of the class of 2026 were invited to apply to be chosen to represent their classmates as the event's student speaker.

Lili Chalfant was selected to speak

on behalf of her fellow graduates at this year's Commencement ceremony.

A native of Lafayette, Indiana, Chalfant is receiving a BFA degree in writing for film, television, and emerging media from the Roy H. Park School of Communications. She has minors in both psychology and counseling.

On campus, Chalfant served for two years as a Park School representative on the Student Governance Council and two years as a resident assistant—including a year as an RA in the outdoor adventure learning community. At the Residential Life Awards in spring 2025, she received the Community Builder Award. She was also nominated for the Building Connections Award as a first-year RA.

Chalfant served as the host and a writer for the ICTV show *Roommate Rumble* and has acted in several student films. She is currently a scripted development intern for Best Day Ever, a television production company cofounded by Ithaca College alumna Liz Tigelaar '98. Chalfant hopes to continue her work in the entertainment industry after graduation.

## Park Scholars

This program is for outstanding students in the Roy H. Park School of Communications. Through a combination of academic and service programming, scholars are challenged to use the power of mass communication to make a positive impact on the world. They must maintain a 3.50 grade point average and engage in community service and Park scholar activities. This award covers the full cost of attendance at Ithaca College. Park scholars can be recognized by purple and white honor cords at today's ceremony.

## **Ithaca Forever**

Ithaca, forever shine your light on me.  
In my heart together we shall always be.  
And here's to Ithaca, my Ithaca, how beautiful you are.  
Your towers high upon South Hill reach from stone to star.  
Ithaca, forever I'll recall a smile,  
Clasp a hand in friendship, walk a snowy mile.  
And here's to Ithaca, my Ithaca—alma mater true.  
Although I leave Cayuga's shore, I'll remember you.  
Ithaca, forever guide us on our way.  
Like a shining beacon, light our night and day.  
And here's to Ithaca, my Ithaca, how bright your vision seems.  
May all your sons and daughters dare to live their dreams.
