(examples; leave class A 10 mins early, meet with professor B during office hours)

Instructor Signature of Course Requested: _____
Date

Instructor Signature of Conflicting Course: _____
Date

Student Signature _____
Date

A time conflict override should be used very reservedly. This override instructs Homer to ignore any possible time conflicts with these courses during this semester. This includes any schedule adjustments the student may make at a later date. Please note, that if approved, students should be emailed with instructions to register for the course via HomerConnect before the end of the add/drop period.

School Dean's Office Use Only:

☐ Approved _____

☐ Not Approved Reason _____
